

To Whom It May Concern,

We are pleased to express our support for Dan Cameron for Mason County Commissioner.

Dan has continually demonstrated his dedication to Mason County through his volunteer work, community involvement, and ongoing support of local organizations and projects that make a meaningful difference. Through our involvement with Shelton Memorial Park Cemetery, we have personally witnessed his commitment firsthand.

Dan has volunteered his time at the cemetery on numerous occasions and has been a strong supporter of our efforts to improve and maintain the grounds, including within our Veterans Section. One of his most significant contributions was helping secure donated landscaping materials for the cemetery's veteran's area. Through his involvement and community connections, these donations helped improve and enhance a section dedicated to honoring the men and women who served our country.

His willingness to step forward and support projects that preserve dignity, respect, and pride within our community speaks volumes about his character. Dan understands the importance of honoring veterans, supporting local organizations, and maintaining community spaces that families rely on for remembrance and reflection.

At Shelton Memorial Park, we value and support individuals who quietly show up for their community with honor, integrity, and a willingness to work hard without seeking recognition or notoriety. Dan has consistently demonstrated those qualities through his actions, leadership, and dedication to serving others.

Beyond the cemetery, Dan has consistently shown leadership, compassion, and a genuine commitment to the people of Mason County. He is someone who believes in helping where help is needed, bringing people together, and improving the community through action rather than promises alone.

We believe Dan Cameron's integrity, work ethic, and dedication to public service make him an outstanding candidate for Mason County Commissioner. We are grateful for all he has done for our cemetery and our community, and we are honored to offer him our support.

Sincerely,

Jack Huggins  
President, Shelton Memorial Park Cemetery

Peter Fair-Laserinko  
Vice President, Shelton Memorial Park Cemetery
